STANDING ORDERS OF HULL COLLEGE CORPORATION

PART ONE: INTRODUCTION

These Standing Orders should be used in conjunction with the Corporation's Instrument and Articles of Government and general advice issued by the Skills Funding Agency and the Department of Business, Innovation and Skills.

Every member of the Corporation and of its Committees shall be bound by these Standing Orders and shall be expected to adhere to the seven principles of public life, as recommended by the Nolan Committee's Report "*Standards in Public Life*". In summary, these are:

- o selflessness
- o integrity
- o objectivity
- o accountability
- o openness
- o honesty
- o leadership

In complying with their obligations laid down by the law and by the external demands placed upon public sector spending bodies, the Chair and members of the Corporation and its Committees will operate in accordance with these Standing Orders and shall receive advice regarding their interpretation from the Clerk.

If any governor is in any doubt as to the reliability of anything contained in these Standing Orders they should consult the Clerk and, if necessary, independent advice will be sought.

The general schedule of delegation and responsibilities for Corporation, Principal, Chair and Clerk are shown at Annex 1.

- 11 (1) Minutes of every meeting of the Corporation, of any Committee or of any Sub-committee must be prepared by the Clerk or his/her deputy and shall be submitted to, and signed at, the next following meeting of the body concerned.
- (2) Where the next meeting is a Special Meeting, any outstanding unapproved minutes must be submitted to the next full meeting of the Corporation or the particular committee.
- (3) No discussion shall take place upon the minutes, except upon their accuracy. If no question of accuracy is raised or, if it is raised then as soon as it is disposed of, the person presiding shall sign the minutes.

- (4) Video-conferencing and/or telephone conferencing may be used if necessary in accordance with Sec. 1(h) of the Instrument of Government.

Standing Order 13: Reconsideration of resolutions, consideration of urgent business and matters delegated to Committees

- 13 (1) The Corporation shall abide by section 14(4) of the Instrument of Government which requires that no resolution of the Governors may be rescinded or varied at a subsequent meeting unless its rescission or variation is a specific item of business on the agenda for that meeting.
- (2) Further to Section 14(4) above a resolution, which in this context means any formal decision by the Corporation, cannot be overturned or varied as part of discussions of matters arising from the previous Minutes. Not only must the subject appear as a substantive item on the agenda, but also the fact that there is a proposal to vary or rescind a previous decision must be indicated.
- (3) Immediately after the minutes of the previous meeting have been approved Governors should inform the Chair of any item they wish to raise under “Any other urgent business” (AOUB).
- (4) The meeting will then decide whether any item so identified may be raised under AOUB or whether it should be deferred to a subsequent meeting.
- (5) Lengthy or complex items for discussion, especially those requiring consideration of detailed reports or accounts, other than those of an exceptionally urgent nature should not be taken under AOUB.
- (6) The Corporation will receive but not debate decisions it has delegated to a committee.

Standing Order 14: Voting

- 14 (1) Section 14(1) of the Instrument of Government establishes that every question to be decided at a meeting of the Corporation shall be determined by a majority of the votes of the Governors present and voting on the question. Where there is an equal division of votes, the Chair of the meeting shall have a second or casting vote. This will also apply to Committees.
- (2) A student Governor who is under 18 years of age at the time of the meeting may not vote on any question involving the Corporation in committing expenditure, making a contract or incurring debt or liability (Section 14(7) of the Instrument of Government refers).
- (3) Except where a requisition is made under the next paragraph, the method of voting at meetings of the Corporation, Committees and Sub-committees shall be by show of hands.

NOTE: In practice, it would be unusual for all decisions taken at a meeting to be decided by a formal vote. The person presiding would normally simply ask the Corporation, Committee or Sub-committee for their agreement to the proposal in question at the conclusion of a discussion and only call for a vote either if there was a clear expression of dissent or if it was a matter of particular significance (for example, approval of the annual budget or accounts).

- (4) Should an individual Governor of the Corporation request a vote on a particular issue, this must be agreed. If a formal vote is taken, the minutes will record the number voting for and against. It is for the Corporation to decide the circumstances in which a secret ballot should be held or in which the names of those voting for or against a proposal should be recorded. Whether or not a recorded vote has taken place, and even if a decision has been made by secret ballot, a dissenting Governor has the right to have his or her disagreement recorded in the Minutes.
- (5) A decision of the Corporation is binding on all Governors and all Governors will comply with the principle of collective responsibility and stand publicly by a decision even if that decision was not approved unanimously.
- (6) Votes may not be cast by post or by proxy.
- (7) The Corporation may agree, in circumstances where business may be delayed because of a lack of a quorum, to seek a decision of governors by postal or other written communication conducted by the Clerk and if there is a majority view that a matter should be approved then it will be taken as approved by written resolution.

Standing Order 15: Attendance

- 15 (1) The attendance of every Governor attending a meeting of the Corporation, a Committee, Sub-committee or working group shall be recorded in the minutes of the meeting.
- (2) A Governor will be recorded in the minutes of a meeting as being absent unless he/she notifies the Clerk that their apologies should be given to the Chair.
- (3) The time of arrival or departure of any governor arriving after the start or leaving before the end of a meeting will be recorded in the minutes by the Clerk.
- (4) To assist the Clerk in establishing that there will be a quorum for a meeting, all apologies should be submitted by the day preceding the meeting at the latest except in cases of emergency.
- (5) If at any time the Corporation is satisfied that any Governor having been absent from meetings of the Corporation for a period longer than six consecutive months without the permission of the Corporation, the Corporation may by notice in writing to that Governor remove him or her from office and thereupon the office shall become vacant (Sec.10(2) of the Instrument of Government refers).
- (6) In the event of a decision being required under (5) above, then the matter will be placed on the agenda for the next meeting of the Corporation for discussion by the Governors present. A full written report setting out all the facts known will be presented by the Clerk.
- (7) The absent Governor facing the procedure at (5) shall be entitled to attend the meeting or submit in writing his/her reasons for absence. He/she shall take no part in the voting on this matter.

- (8) Other than in exceptional circumstances, the nature of which shall be determined by the Corporation, no member shall be permitted to hold office if her/his absence exceeds twelve consecutive months.
- (9) The Clerk shall submit an annual report on attendance levels for review by the Corporation in order to review and update, if required, the Governors' Attendance Policy.

Standing Order 16: Withdrawal from meetings

- 16 (1) The Corporation will apply rigorously the requirements of Section 14 of the Instrument of Government with regard to circumstances under which the withdrawal from meetings of Staff Governors, Student Governors, the Chief Executive/Principal and the Clerk is required.
- (2) In situations where the Clerk is required to withdraw from the meeting the Chair of the meeting will appoint a person from those present to take the minutes of that part of the meeting or allow a deputy to attend. The meeting will allow the Clerk on his return to see the minutes thus created unless the meeting specifically decides against this in which case the minute will be held by the Chair.

Standing Order 17: Agenda for Meetings

- 17 (1) The Clerk shall send out written notice of a meeting of the Corporation or one of its Committees and a copy of the agenda at least seven calendar days in advance of the meeting in accordance with Section 12 (2) of the Instrument of Government.
- (2) The non-receipt of notice of a meeting will not invalidate the holding of that meeting.
- (3) The agenda shall be structured by the Clerk in consultation with the Chair and Chief Executive and appropriate lead officer(s).
- (4) All items to be considered at the meeting (with the exception of late items of urgent business) shall be recorded on the agenda.
- (5) Items of business shall be taken in the order they appear on the agenda for the meeting except that the order may be varied by the decision of the Governors present.
- (6) All reports to be submitted to a meeting by Officers of the College shall be in writing in a format to be determined by the Clerk. Wherever practical, the Clerk shall endeavour to ensure that all written reports are circulated with the agenda. If this is not practical then the reports shall as a minimum be made available to Governors three calendar days before the date of the meeting. No new issues are to be tabled at a meeting except as late items of urgent business and may not be tabled without the prior permission of the Chair of that meeting and the Clerk.
- (7) Any Governor may request an item be placed on the agenda provided that notice of the item is received by the Clerk ten calendar days in advance of the meeting.
- (7) A matter may be placed on the agenda as a late item of urgent business only with the

prior approval of the Chair and the Clerk.

Standing Order 18: Schedule of Meetings

- 18 (1) The Clerk shall prepare an annual calendar of meetings and schedule of business that meets the needs of the Corporation and is based on the College planning cycle.
- (2) The schedule shall also accord with the requirements of the Corporation to publish and make returns to the Skills Funding Agency as required.

Standing Order 19: Minutes

- 19 (1) The Clerk, or in his/her absence the appointed deputy, is responsible for the accurate recording of the minutes. Contingency plans will be put in place to ensure effective deputising for the Clerk.
- (2) The minutes shall clearly show the title of the meeting, the date and time of the meeting and those present, absent or have submitted apologies.
- (3) The minutes shall provide a summary of the discussion on a matter and clearly show how each decision was made.
- (4) The minutes shall show the action points of every meeting and denote the person responsible for taking action and the timescales involved.
- (5) Under no circumstances can Governors take a decision which is not minuted at a properly constituted meeting.
- (6) Minutes will be taken by the Clerk, or in his/her absence the appointed deputy, for all meetings of the Corporation, Committees, Sub-committees and working groups.

Standing Order 20: Confidentiality of Corporation Papers

- 20 (1) In accordance with the provisions of section 17 of the Instrument of Government, the agenda, minutes and reports of each meeting of the Corporation will be made available on request for inspection. This will be the responsibility of the Clerk.
- (2) Section 17(2) states that there shall be excluded from inspection any material relating to:
- (a) a named person at or proposed to be employed at the College;
- (b) a named student at, or candidate for admission to, the College;
- (3) The Corporation can also exclude any matter which, by reason of its nature, the Corporation is satisfied should be dealt with on a confidential basis. The Clerk, with the Chair of the Corporation, will designate reports as confidential under the Corporation's Access to Governance Information Procedure and will set a timescale when the confidentiality will no longer apply. This timescale should be the shortest timescale possible.
- (4) All reports of the Corporation's Committees, Sub-Committees and working groups are confidential. The minutes will be available for inspection via the Clerk if required.

- (2) Unless 22(1) applies, Governors shall refer any requests for public comment to the Chief Executive or the Chair.
- (3) In the circumstance of the suspension or dismissal of the Chief Executive or other urgent cause, only Chair of the Corporation, or in his/her absence the Vice-Chair, shall act as spokesperson for the Corporation.
- (4) No action may be taken by an individual Governor nor may any Governor commit the Corporation to any action or expenditure unless authority to do so has been delegated formally by a resolution of the Corporation.

ANNEX 2 - POLICY ON CHAIR'S ACTION

Hull College Group Policy	Procedure Status: Approved	 Hull College Group
Title: Policy on Chair's Action	Ref: G1.17	Page 1 of 3
Key Policy to set the authority of Corporation Chair to take urgent decisions on behalf of the Corporation		Next review date: April 2018

1. Policy introduction

In the following "Chair" shall also mean "Chairman", "Chairperson" and "Chairwoman" whichever term is in use.

The Corporation has power to delegate appropriate functions and purposes to the Chair under Article of Government 4(b). This policy sets the authority of the Chair to be able to take Chair's action on a particular decision. In determining the need to take Chair's Action, the Chair and the Clerk will first consider whether the matter could be resolved by all Governors through a Written Resolution in accordance with Standing Order 14(7).

2. Responsibility and implementation

The Corporation has determined that the Chairman shall have delegated powers to act on its behalf between scheduled Meetings of the Corporation as detailed in this policy.

Under Article 9 the following functions cannot be delegated:

- (a) the determination of the educational character and mission of the institution;
- (b) the approval of the annual estimates of income and expenditure;
- (c) the responsibility for ensuring the solvency of the institution and the Corporation and for safeguarding their assets;
- (d) the appointment of the Chief Executive or holder of a senior post (except to a Committee of the Corporation);
- (e) the appointment or dismissal of the Clerk, (including, where the Clerk is, or is to be, appointed as a member of staff); and
- (f) the modification or revocation of these Articles.

In normal circumstances, Chair's action would only be authorised where:

- a) Items of routine business that would not normally merit discussion at a meeting of the Corporation
- b) Matters relating to the implementation of policies that have already been approved by the Corporation; and
- c) Any issue which, in the view of the Chairman and Clerk, is too urgent and important for consideration to be deferred until the next scheduled Meeting of the Corporation, especially where any lack of timely action could damage the interests of the College.

"Items of routine business" are defined as any items that fall below the College's acceptable risk appetite. This assessment will be based on:

Title: Policy on Chair's Action	Ref: G1.17	Page 2 of 3
Key Policy to set the authority of Corporation Chair to take urgent decisions on behalf of the Corporation		Next review date: April 2018

- (a) an assessment of the likelihood and impact of the risk materialising in the case of no action (or lack of timely action); and
- (b) a comparison of this in line with the College's risk appetite (as measured by the College's agreed approach set out in the risk management policy and debated from time to time).

3. Policy Details

Criteria to be adopted by the Chair and Clerk in considering the need for Chair's action:

- Requirements of regulators and statute do not explicitly require the decision to be taken by the Corporation or the Audit Committee i.e. approval of annual budget etc?
- Has the advice of the Chief Executive been taken?
- Has the advice of any relevant Corporation Committee been taken?
- This decision does not contravene the Instrument and Articles of Government or the Corporation's own Standing Orders?
- Is this decision one which a majority of governors would consider not worth bringing to Corporation for consideration?
- Is this decision a simple and straightforward follow-on from a decision already made by the Corporation?
- It does not require legal or other external advice before taking this decision?
- Would delay in making this decision seriously damage the interests of the College?

If the answer to all relevant questions above, or based on a balance of agreed risk, is "yes", the Chair is entitled to approve decisions on behalf of the Corporation.

In all cases, the Chair will exercise great care before taking action on behalf of the Corporation, and will consult with the Clerk on the most appropriate course of action.

Chair's action on matters of importance will be taken only where delaying a decision would disadvantage the College. The Chair may also wish to consult with the Vice Chair and in particular the Chair of the Audit Committee and the Chief Executive, especially where Chair's action would result in major financial or contractual commitments for the College.

It would be usual for the Chair to be advised by the Chief Executive and, as appropriate, members College's Senior Leadership Team before any decision is taken.

Chair's action will be recorded on an appropriate form to be retained by the Clerk. Where the Chair has exercised his/her delegated authority to act on behalf of the Corporation, a report on the action taken, along with any background documents, will be made to the next scheduled meeting of the Corporation where the Chair will explain the reason action was taken.
