

EXPERIENCING SYMPTOMS OF COVID-19

- A new continuous cough
- High temperature
- A loss or change to your sense of smell or taste

Staff will contact Learner Support Services who will support

Learner Support Services will contact you by phone to determine the following:

- Who you have had contact with at College? (i.e. talking face to face/with person for a prolonged period of time)
- What buildings/rooms have you been in?
- When did symptoms start?
