## **HULL COLLEGE GROUP**

### **FURTHER EDUCATION FEE SCHEDULE 2018/19**

This document relates to all students deemed to be home students as defined by the Education and Skills Funding Agency (ESFA), on courses that are publicly funded. This includes those people who are assessed as UK/EU nationals for the purposes of fee status.

The Fee Policy has been divided into separate documents to create clarity, covering FE and HE respectively and then further divided into regulations and fee schedules. Fee schedules may vary from year to year depending upon funding guidance, while regulations are more likely to be updated less frequently.

Please note that the regulations and fee schedules are subject to amendment due to possible changes to national funding policy.

## CLASSROOM BASED LEARNING

The fee schedule for Level 3 courses should be used if the student has already achieved a Full level 3 qualification and wish to study a course at Level 3 or above.

## **WORKPLACE LEARNING**

- 5 For all apprentices having started their programme before 1 May 2017 and continuing into a subsequent year between 1 August 2018 and 31 July 2019, fees will continue to be waived in full. This applies to tuition, examination, registration and certification fees. Please note the fees will be waived for the full program.
- 6 Fees for ESFA funded learners, continuing on a workplace learning course, will be waived in full. This applies to tuition, examination, registration and certification fees.
- 7 For all new students wishing to study a workplace learning course, they will only be entitled to study the course if they are entitled to the full funding from the ESFA.
- 8 From 1 May 2017, the Government introduced a new approach to the financing and funding of all apprenticeships. The Apprenticeship Levy in conjunction with the Digital Apprenticeship Service (DAS) will mean that employers have greater control of the available funding. Contracts will be agreed with employers for the apprenticeship provision. This applies to all new starts from 1 May 2017.

## **EXAM FEES**

- 9 Examination fees are fees that relate to Registration, Certification and Exam costs charged by the Awarding Organisations that the College incurs on behalf of the student as part of their programme of study. These fees will be additional to your tuition fee and will be made available to you upon request.
- 10 External Candidates wishing to use the Group's exam centre to take an exam are accepted at the discretion of the Group. Payment must be made in advance of the examination, and includes all fees due to the relevant Awarding Organisation and a £75 Administration fee.

## **ADDITIONAL FEES**

- 11 Occasionally, additional charges may be made to cover materials and consumables required for the programme of study. We will advise students of the charges and how these will be collected. These costs are in addition to any tuition and exam fees.

## **FEE REMISSION**

- 12 There is no automatic fee remission for students aged 19+ on full-time or part-time courses, except for students on courses that are entitled to be fully funded as detailed in the appendix 'Fee Remission'.
